EXTRA PILSNER

USP

1 Top quality premium pilsner

2 Dry, sparkling and hoppy

SPECIFICATIONS

- STYLE** Premium pilsner
- LOOK** Pale straw colour with a rich white foam head and fine bubbles
- AROMA** This beer is characterized by a balanced, fine hoppiness, a slight note of vanilla and a mild fruitiness.
- TASTE** Outspokenly thirst-quenching from the start thanks to its dry character, followed immediately by a subtle bitterness. The smooth malt character pleasantly remains in the background making the beer very refreshing without losing anything in terms of fullness.
